RATS! Canada

GO TO GROUND

Master

The Objective

Your dog must crawl through a man-made tunnel to find a rat. The rat is in a protective cage and will not be harmed.

The Rules

- ☀ You will release your dog two feet from the tunnel entrance. Your dog may exit and re-enter the tunnel once until they find the rat.
- ☀ You should remain where you released your dog into the tunnel.
- ☀ Upon finding the rat, the dog must "mark" the find for 60 seconds continuously, by barking, snapping, licking, etc.

A Qualifying Run (Q)

A qualifying run occurs when the judge has deemed that your dog has found the rat by scent, within 36 seconds, and marked the rat for 60 seconds without pause.

Achieving a title

To achieve your master title (MGTG) in Go To Ground, you must have obtained your advanced title, and successfully complete five qualifying runs at the master level.

Faults

You can be disqualified for pushing your dog into the tunnel, the dog must enter willingly.

Elimination occurs when your dog does not find the rat within 36 seconds, or leaves the tunnel before the 60 seconds of marking the rat are over.

The Liner (tunnel)

The liner/tunnel is 10" wide and 10" high, and 24 feet long.

The ring will contain:

- ★ one tunnel with three 90 degree turns; and
- ★ one rat.
